

BSA : Inspire Application For Funding

Name of group/project: _____

Primary contact:

Phone: (____) ____ - ____

Email: _____

Campus box number: _____

Describe your project.

How will this benefit the Brown and/or greater Providence community?

What experience (either personal or group) will be backing up your endeavor? If you have little or no experience, please attach a letter of support from a faculty/staff member with whom you will be working.

Why should BSA : Inspire fund your project? (This is an open-ended question, but please be sure to give us a general idea of what you need funding for, in addition to how/if your project would be different without these resources.)

Please attach a proposed budget for your project when you submit this application.

Completed applications with attached supplementary materials should be sent to bsa@brown.edu. If you have any questions about your application or about BSA : Inspire in general, please contact us at bsa@brown.edu or (401) 863-2226.
