

4 HD TVs, 3 Advertisement Blocks, Your Business.

With ReachBrown, you can easily advertise in high traffic locations at Brown University, 24/7.

Your ad will run alongside school and student organization notices, screening for 30 seconds per 5 minute cycle.

Our Locations

Sharpe Refectory

The main dining hall. Known as "The Ratty", the Sharpe Refectory is arguably the social center of campus, serving over 1,500 students per meal.

J. Walter Wilson

The mail services building. Every student and staff member has a mail box in the JWW, and thousands of packages are picked up each week.

Sciences Library

The main library. Over 2,000 students visit the Sciences Library and the Friedman Study Center Cafe daily.

Campus Center

The student center, administration offices & cafe. Over half the student body enters the student center at least once a day.

IPTV Channel 1

Brown's television service. Students can view this in their dorms via the Internet.

How it Works/Rates

1. Go online to www.reachbrown.com
2. Choose your ad block. Three advertisement blocks are sold per week, each for **\$379** (discounts available for NPO's)
3. Upload your slide onto our site or have it designed in-house by our graphic designer
4. See your advertisement catching the eyes of thousands of students!

Compare Us	Dimensions	Price (discounts available for NPO's)	in Color	% of students reached	Daily Reach
